☎ +41 77 952 74 90  
📍 Luzern, Switzerland

### ABOUT

Frontend-oriented developer with 7+ years delivering production-ready web UIs and custom components (JavaScript, HTML/CSS), with a strong QA mindset and experience in market research / survey platforms. Comfortable bridging UX, technical constraints, and stakeholder needs.

### CORE SKILLS

**UX / Web:** JavaScript, HTML/CSS, responsive UI, cross-browser & mobile testing, Askia ADX (ADC/ADP Development), wireframing (Figma)  
**Research & Analytics:** questionnaire scripting, quota management, data validation, fieldwork QA (CAWI/CATI), reporting  
**Data:** SQL Server (T-SQL), Excel/VBA, Power BI, SPSS, Power Apps, REST/JSON APIs  
**AI:** OpenAI workflows, prompts for structured outputs, API-assisted automation

### WORK EXPERIENCE

- Survey Programmer** Aug 2019 - Present  
DemoSCOPE AG • Adligenswil, Switzerland
- Develop and maintain complex surveys (routing, loops, validation logic, quota control), ensuring cross-device compatibility and mixed-mode interfaces (CAWI respondent-facing, CATI interviewer-facing)
  - Build custom UI components and interaction logic (JavaScript, HTML/CSS) for respondent and interviewer interfaces
  - Implement structured QA workflows (test cases, edge-case scenarios, pilot checks) to improve field reliability and data quality
  - Collaborate with PMs and researchers to translate study requirements into robust questionnaires and datasets
- Survey Programmer** Jan 2018 - Aug 2019  
Verve Partners LTD • Iasi, Romania
- Quality Assurance Associate** Jul 2017 - Jan 2018  
Verve Partners LTD • Iasi, Romania
- HR Services Associate** Aug 2015 - Jun 2017  
Conduent INC • Iasi, Romania

### EDUCATION

- Bachelor's Degree in Marketing 2013 - 2015  
Alexandru Ioan Cuza University • Iasi, Romania
- AP Degree in Marketing and Management 2008 - 2009  
VIA University College • Horsens, Denmark
